In the legend and caption of figure 2, green corresponds to earlier peak times and blue to later peak times, in contrast to what is written in the caption. The corrected figure and caption are below.

![Map of changes in the annual cycle of heavy precipitation across the British Isles](image)

**Figure 2.** Changes in the peak times of the annual cycle: colour-coded is the multi-model mean of all simulated changes relative to 1961–2000; future period: left: 2021–60, right: 2061–2100; green: changes to earlier times, blue: to later times.
